ABOUT ME

I am a motivated and skilled Full Stack Web Developer with expertise in the MERN (MongoDB, Express.js, React.js, Node.js) stack. Alongside my studies in B.Tech CSE at VIT Chennai, I am also a co-founder of Oxlac, a service-based company providing software solutions to clients. I excel in developing responsive and user-friendly web applications, leveraging modern technologies such as HTML, CSS, JavaScript, React.js, and Node.js. I have a strong problem-solving aptitude and a passion for innovation, I ensure the delivery of high-quality projects that meet client requirements. I am a quick learner, an effective communicator, and a valuable team player. Seeking opportunities to contribute my skills and drive the success of organizations committed to excellence and client satisfaction.
